* These numbers reflect the December 15, 2022 certified numbers from the Portland State University Population Research Center. State shared revenues for the Highway Trust Fund, Liquor Revenues, Cigarette Tax Revenues, and 9-1-1 Emergency Communication Tax Revenues will use these populations. Portland State also provides quarterly supplemental population reports which will provide the basis for quarterly marijuana revenue distributions. The supplemental reports are available at www.pdx.edu/population-research/population-estimate-reports.
