

The LOC Virtual Annual Conference is now LIVE!

Event Details

When: October 14-15, 2020

Where: LOC Conference Virtual Platform

Registration

If you have not yet registered for the conference but would like to attend, you can register until Wednesday, October 13, by visiting our [conference registration page](#).

For those who have already registered, you should have received a “Know Before You Go” email this week with instructions on how to access the LOC Conference Platform. The email would have come from LOC 95th Annual Conference no-reply@pathable.com, and includes a unique link for you to access the conference platform. If you didn’t receive this email, and believe you are registered for the conference, please contact us at loc@orcities.org.

Conference Platform

Our conference will take place on a virtual platform which utilizes Zoom meetings. You do not need a Zoom account to attend the meetings, but you will need to install Zoom on your computer, tablet or phone.

Conference sessions will be a hybrid presentation with live and prerecorded segments. The prerecorded portion will all be followed by a live 15-20-minute Q&A segment with the session speakers. If you want to join the live Q&A, be sure to join the prerecorded segments at their scheduled dates and times. Directions for watching the prerecorded sessions and joining the live Q&A will be available when you attend the sessions. There will be LOC staff attending each session to help attendees navigate the platform and answer questions.

In addition, the LOC has created a [tutorial video](#) to help attendees navigate the virtual platform and tour of some of its unique features within the platform.

As soon as possible, we strongly encourage our registered attendees to log in and get familiar and comfortable with the conference platform. While you’re there, be sure to look around and start interacting with your fellow attendees, sponsors and vendors.

Councilors, Mayors, and Managers Workshops

If you would like to attend a workshop but have not pre-registered, send an email to loc@orcities.org, and we will gladly adjust your registration.

Dress Code

The dress code for attendees is casual to business casual.

Cancellation Policy

We're sorry, but no refunds can be issued at this time. If you are unable to attend, LOC encourages you to send a replacement from your city.

Tech Support and Customer Service

If you have any questions or need assistance during the conference, here is who you can contact.

Technical Assistance

Email: helpdesk@orcities.org

General Customer Service

Email: loc@orcities.org

Call: 503-588-6550

LOC staff and the conference committees have worked hard to put together a great program, and we are excited to see you all soon!
