MEMORANDUM

To: POC Caucus Members

From: Lisa Trevino, LOC Member Engagement Director

Date: September 15, 2026

Re: Proposed Amendments to the People of Color Bylaws

The purpose of this Memorandum is to provide a brief summary of the proposed amendments to the People of Color Caucus (POC Caucus) Bylaws. The proposed changes are intended to clarify the governance and membership structure of the Caucus, streamline administrative processes, and provide clearer procedures for participation, elections, vacancies, and decision-making.

Attached to this Memorandum is a draft of the Bylaws reflecting the proposed changes described below.

The proposed amendments would:

- **Clarify the Caucus's name, purpose, and membership structure** by updating terminology and establishing clear categories for City Council Members, Emeritus Members, Association Members, and Affiliate Members.
- **Expand and clarify opportunities for participation** by establishing clear rights and responsibilities for each membership category and providing for virtual or telephonic participation in Caucus meetings.
- **Provide clearer meeting procedures** by establishing consistent requirements for annual and special meetings, advance notice, and meetings involving proposed Bylaw amendments.
- **Clarify the structure and responsibilities of the Executive Committee** by defining the six Executive Committee positions, eligibility requirements, terms of service, and responsibilities of each position.
- **Establish a more consistent election process** by clarifying the role and composition of the Nominating Committee, the application process, the development of a candidate slate, and procedures for election at the annual meeting.

- **Create clear procedures for vacancies** by identifying circumstances that result in a vacancy and establishing how vacancies on the Executive Committee will be filled.
- **Clarify the role of committees** by establishing their authority, responsibilities, and relationship to the Executive Committee and membership.
- **Establish consistent procedural guidance** by identifying Robert's Rules of Order as a guiding framework when it does not conflict with the Bylaws.
- **Clarify the process for future Bylaw amendments** by establishing how proposed changes must be noticed and approved by the membership.

Overall, the proposed amendments are intended to make the POC Caucus Bylaws clearer, more organized, and easier to administer. The amendments also provide greater clarity around the responsibilities of the Executive Committee and the procedures for conducting the Caucus's ongoing business.
