2024 Business Partner Program

Enroll Today as an LOC Business Partner

The League of Oregon Cities invites you to enroll as a 2024 LOC Business Partner, allowing your organization to communicate directly with decision makers in the 241 cities across Oregon.

Our primary objective at the LOC is to help city governments meet the needs of citizens. Your participation in the LOC Business Partner program will help us provide effective training and serve as the collective voice for our member cities.

Please take a few moments to review the enclosed materials. To become an LOC Business Partner, **please email me** at ktoon@orcities.org and I will send you documents for our online enrollment.

The deadline to enroll as a 2024 LOC Business Partner is **March 8, 2024**.

If you have any questions, please feel free to contact me directly. We look forward to working with you in support of cities.

Sincerely,
