Summary: Increases rate of privilege tax imposed on Oregon motor vehicle dealers upon retail sale of taxable motor vehicle and rate of use tax imposed on storage, use or other consumption in this state of taxable motor vehicle purchased at retail. Applies to any taxable motor vehicle sold at retail in any jurisdiction within or outside this state that is registered by purchaser residing within boundaries of metropolitan service district to address within district. Directs revenue from increase in privilege tax to be used to supplement rebates otherwise made under zero-emission and electric vehicle rebate program and Charge Ahead Oregon Program. Requires electric companies, Oregon Community Power and consumer-owned utilities to collect one percent public purpose charge from retail electricity consumers located within part of service area that is within Portland metropolitan service district. Requires investment of public purpose charge funds in programs to accelerate transportation electrification and grid modernization efforts that support transportation electrification. Authorizes certain retail electricity consumers to direct their own transportation electrification projects and receive credit against public purpose charges. Takes effect on 91st day following adjournment sine die.
