Unless otherwise specified below, blanket additional insured is acceptable and is considered a written contract requirement on any insurance policies required herein with respect to Provider's activities being performed under the Contract, excluding Professional Liability coverage. The Contract requires that additional insured status is required, and proof of blanket coverage from your policy must be provided either by a copy of your policy or by a copy of the separate endorsement. Listing AI status on the Certificate of Insurance (COI) does not meet this requirement; proof must be provided by a separate AI policy or endorsement. THE CITY OF TURNER REQUIRES THE COVERAGE TYPES, AMOUNTS, AND POLICY LIMITS SHOWN ABOVE. The policy limits specified above are minimum requirements; the City reserves the right to claim up to the

policy limits. All coverages must be Primary and Non-Contributory with any other insurance and self-insurance. Acceptance of a COI showing less than required coverages does not relieve Consultant of the insurance requirements set out above or in the Contract. Consultant must notify the City if non-City claims have infringed upon or impacted the policy. Consultant is required to notify the City of any changes to or cancellation of coverage(s) within 24 hours. Consultant must provide a copy of the policy to the City upon demand.
