City of Chiloquin Receives LOC's Good Governance Award

NORTH BEND, Ore. – During its 2025 Local Government Spring Conference, the League of Oregon Cities (LOC) presented its Good Governance Award to the city of Chiloquin for its “Chiloquin Connects” program. The award, which recognizes progressive and innovative city operations and services, was presented to co-recipients, with the cities of Lincoln City and Ashland also winning.

About the “Chiloquin Connects” Program

“Chiloquin Connects” is an engagement strategy designed to empower residents by streamlining public participation in local government and community development. With quarterly events that feature interactive booths, formal presentations, and incentive-based participation, “Chiloquin Connects” fosters inclusivity, transparency, and meaningful resident involvement. This initiative maximizes limited city resources while ensuring that underserved populations have a voice in shaping Chiloquin's future. With support from local organizations, community residents, and state and federal partners, “Chiloquin Connects” is strengthening civic engagement and laying the groundwork for a revitalized, vibrant, and resilient community.

About the League of Oregon Cities

Founded in 1925, the LOC is a voluntary association representing all 241 of Oregon's incorporated cities. The League helps city governments serve their citizens by providing legislative services, policy setting, intergovernmental relations, conferences and training, technical assistance and publications.
